Vityèl Fèt
Virtual Celebration

Let's 2021

Dear Friends,

Although we never imagined that our 13th annual Building Hope Together celebration would be experienced in this way, I could not be more thankful that you have joined us for the evening. All of us at the Foundation continue to be overwhelmed by the support and encouragement for our mission within this challenging time. It is through your generosity that the people of Saint Rock are able to weather what comes their way; extreme poverty, natural disasters, political strife or a global pandemic. Together we are building a community that will thrive.

Of particular note this year is the progress being made on the new center for maternal and child health. The Foundation has a growing number of partners who continue to bring us closer to SRHF becoming a leader in the maternal health crisis that exists in Haiti. We are honored that our partners have unyielding confidence in our ability to create a healthier future for this community and Haiti.

We hope you enjoy our program and look forward to next year when we can all celebrate together again.

Nan Amitye,

Jocelyn Bresnahan, DNP

President and CEO

Fèt Honorary Chairs

Linda and Jay Hooley

The Hooley family has been involved with the Saint Rock Haiti Foundation for over ten years beginning with the Saint Rock Hope for Haiti club at Thayer Academy. In 2018 Linda traveled to the Centre de Santé clinic in Saint Rock to volunteer and is now an integral part of the SRHF Education Committee.

The Hooley's generosity and commitment to the vision of the Saint Rock Haiti Foundation has been an inspiration to all and we are privileged to have them as partners in our work.

The Stephen Bresnahan Award

Presented to an individual who embodies the dedication and commitment to ensuring that each individual in Saint Rock and the surrounding communities has the ability to thrive in all aspects of life.
