

20 YEARS of PROGRESS A FUTURE of HOPE

Thursday April 21, 2022
Granite Links

Dear Friend,

The Saint Rock Haiti Foundation (SRHF) is thrilled to announce that this year marks our **20th anniversary** of working hand in hand with the people of Saint Rock toward a more hopeful future. We will be celebrating this momentous milestone on **Thursday, April 21, 2022** at our Building Hope Together gala and **invite you to be part of this important evening.**

Nearly 500 attendees from across New England will join together to raise crucial funds needed to allow SRHF to continue their life saving work in Haiti. This year has been particularly challenging for the men, women and children of Saint Rock and their countrymen making our efforts to raise funds even more critical than ever.

Once again, **the Flatley Foundation has generously agreed to match all funds raised for this event up to \$200,000.** Their support has been integral to our 20 years of progress and we are so thankful for their partnership.

Please consider joining us as a sponsor and partner in this important work.

Thank you in advance for your consideration,

Donna Swanson
